Garnishments in USDC DC On and for the behalf of the UNITED STATES	
GARNISHMENT - Rule B(1)(c) - on Steven Turner MNUCHIN for \$350,000.00	

COMES NOW, David Merrill of the family VAN PELT and Redeemed. Demand is made for redemption of central banking currency in Lawful Money in all transactions pursuant to Title 12 USC §411 and §16 of the Federal Reserve Act. Service to the agent is service to the principal and vice versa. Now joindered in class find Michael Paul of the MARSHALL family redeemed through verification of signature and statement(s) of claim herein.

Dear Clerk of Court;

Please file and publish this Presentment properly Refused for Cause timely. The Original Presentment refused for cause is being returned to principal Steven Turner MNUCHIN as US Governor for the International Monetary Fund with a Copy of this clerk instruction while this Original clerk instruction is filed in the USDC Albany NY, with a copy of the Presentment refused for cause. I am refusing for cause Appointment Affidavits and Oaths of Office for senior "judicial officers" as general recusal, for lack of bond.

*Rule B(1)(c) If the plaintiff or the plaintiff's attorney certifies that exigent circumstances make court review impracticable, **the clerk must issue the summons and process of attachment and garnishment.** The plaintiff has the burden in any post-attachment hearing under Rule E(4)(f) to show that exigent circumstances existed.*

Michael Paul reminds the court that the clerk shall issue process of garnishment and summons on US Governor of the International Monetary Fund Steven Turner MNUCHIN. Mr. Glenn SUDDABY and Mr. Laurence KAHN have been recused from the start, *ab initio* and *nunc pro tunc*. Subsequently Mr. John Glover ROBERTS has been recused by Department of Justice

Indictment and true bill - in default - ROBERTS only pretends to be the Chief Justice of the US Supreme Court. Therefore the clerk of court John M. DOMURAD is to contact associate justice of the US Supreme Court Brett M. KAVANAUGH and request limited visitation in the stead of John Glover ROBERTS as originally intended in this Albany Remand. Even so Justice KAVANAUGH, Oath of Office attached, cannot be expected to make utterance further than to remind the clerk to execute settlements through garnishment and writ of enforcement to the Treasury, exactly because Justice KAVANAUGH has been appointed by Mr. Donald John TRUMP, pretending to be President. Several exemplary first pages bond-dodging and abusive process are Refused for Cause herein.

Associate Justice of the Supreme Court

Barely recognizable Anthony M. KENNEDY as Witness is presumed competent for the task despite deteriorating legibility from his signature on his resignation. Therefore any visitation is limited to simple rule enforcement. In other words KENNEDY's oath is presumed to be deviant and Justice KAVANAUGH is only recognized for respecting the honorable Justice REHNQUIST as posthumous mentor.

CHAMBERS OF
JUSTICE ANTHONY M. KENNEDY

June 27, 2018

My dear Mr. President,

This letter is a respectful and formal notification of my decision, effective July 31 of this year, to end my regular active status as an Associate Justice of the Supreme Court, while continuing to serve in a senior status, as provided in 28 U.S.C. § 371(b).

For a member of the legal profession it is the highest of honors to serve on this Court. Please permit me by this letter to express my profound gratitude for having had the privilege to seek in each case how best to know, interpret, and defend the Constitution and the laws that must always conform to its mandates and promises.

Respectfully and sincerely,

The President
The White House
Washington, D.C. 20500

Therefore the observations are that:

1. Anthony KENNEDY is deteriorating in health
2. Brett KAVANAUGH is attempting to bond his honorable behavior
3. Justice REHNQUIST understood the oath process and adhered to 1789 public law
4. John Glover ROBERTS has no oath of office, or has more likely signed a deviant oath of office and the Department of Justice is embarrassed to allow his fraud into this Albany Remand as evidence and bill of indictment
5. Timothy BURGESS, USDC Alaska has admitted to bond-dodging and racketeering for the entire American federal judiciary by redacting his own signature from his oath before allowing it to be published on PACER.

Dear Mr. :

You attempted to appeal from the failure of the Initial Request Staff (IR Staff) of the Office of Information Policy, acting on behalf of the Office of Legal Policy, to respond to your Freedom of Information Act request for access to records concerning Supreme Court Justice John Roberts.

Department of Justice regulations provide for an administrative appeal to the Office of Information Policy only after there has been an adverse determination by a component. See 28 C.F.R. § 16.8(a) (2017). As no adverse determination has yet been made by the IR Staff, there is no action for this Office to consider on appeal.

As you may know, the FOIA authorizes requesters to file a lawsuit when an agency takes longer than the statutory time period to respond. See 5 U.S.C. § 552(a)(6)(C)(i). However, I can assure you that this Office has contacted the IR Staff and has been advised that your request is being processed. If you are dissatisfied with the IR Staff's final response, you may appeal again to this Office.

This Office has forwarded a copy of your letter to the IR Staff. You should contact the IR Staff's Requester Service Center at 202-514-3642 for further updates regarding the status of your request.

If you have any questions regarding the action this Office has taken on your appeal, you may contact this Office's FOIA Public Liaison for your appeal. Specifically, you may speak with the undersigned agency official by calling (202) 514-3642.

Sincerely,
